Dear Mr. Hirao,

This will constitute an annual retainer agreement between the Flat Glass Association of Japan and H. William Tanaka, effective April 1, 1988 through March 31, 1989.

WHEREAS, Flat Glass Association of Japan desires to retain my services as general counsel, I will undertake to render the following counseling services:

1. Legal counseling services will be supplied with regard to all legislative and administrative proposals or actions of any nature which may, directly or indirectly, affect, in any manner, trade between the U.S. and Japan, with particular emphasis on the importation into and marketing in the U.S. of Japanese flat glass products. The counseling services and legal opinions to be rendered will be submitted in written form accompanying the periodic summary analysis report referred to in the immediately following paragraph when deemed appropriate or at the request of the Flat Glass Association of Japan.

2. General information bearing on the U.S.-Japan trade will be supplied in summarized and analyzed form, which will enable the appropriate persons to form a quick familiarity with the more important issues involved. These will be supplied in a periodic summary analysis form with the exception that where urgency requires, such information will be supplied as soon as practicable in the form of interim reports and memoranda.

3. I will provide informational services on U.S. trade policies in the area of administration of dumping laws.

4. I will further endeavor to be an observer at each and every hearing or congressional action bearing, in any manner, upon the importation of Japanese flat glass products and to report thereon as I deem appropriate.

5. In addition to the foregoing, I shall, whenever possible, undertake to transmit to you copies of the various bills introduced, administrative orders and other relevant documentary materials issued by the Government, provided no special costs are involved.

6. Legal and counseling services to be rendered under paragraph 1 above, shall specifically include consultation and rendition of appropriate advice and guidance in matters relating to the antidumping laws, the antitrust laws, patent matters, and customs and duty matters in response to requests by the Association or individual members thereof.

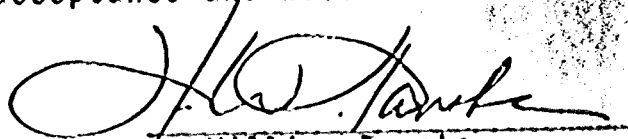

7. This retainer agreement shall not be deemed to cover services to be rendered in connection with specific cases such as antidumping proceedings, escape clause proceedings, judicial proceedings and the like. However, in setting the fee in connection with any such specific case, due regard will be given to the fact that the Flat Glass Association retains my services as its counsel.

In consideration of the services to be rendered, Flat Glass Association of Japan agrees to retain my services in the capacity of General Counsel at an annual retainer fee of \$3,500.00 (Three Thousand Five Hundred Dollars) to be remitted within a reasonable time after execution of this agreement. The terms of this agreement shall be for a period of one year, renewable annually thereafter, except that this agreement is subject to termination by notice transmitted by either party thirty (30) days before the termination of the one year period.

Your signature below acknowledges acceptance and will constitute and agreement between us.
